Week 8

Term 1

13th March 2017

Dear Parents,

Recently I attended a Principal's Meeting in Armidale and when we were going through the figures concerning student enrolments, I had a number of fellow principals commenting on the large percentage of increased enrolments for our school. Since this time last year, Sacred Heart has increased its numbers by 42% which was the highest increase by a large margin. When questioned on what I had done to accomplish this, I replied that it wasn't me but it was due to the large amount of teamwork that our teachers, parents/grandparents and students do that makes our school so great. We are still getting there but now other schools in the region and diocese are taking notice.

Last week all Catholic Schools throughout NSW and the ACT celebrated Catholic Schools Week. I was very fortunate to accompany three of our school leaders: Bailey, Genevieve and Scarlett to Moree to celebrate Mass led by Bishop Michael Kennedy with other principals and student leaders of various schools in the Western Deanery. These children did an outstanding job being ambassadors for Sacred Heart and it was the first time that our school blazers were worn which definitely made our leaders stand out.

It is fantastic to see that a large number of parents and students who have expressed interest in participating in after school hours music lessons. I am currently talking with Richard in finalising days and also costs. It looks like due to popular demand that I have to move the piano from the Preschool! Anyway, a final note to interested parties will be sent home in the near future.

Term 1 Parent/Teacher Interviews will be held in the upcoming weeks. These interviews are designed to inform how your child is going with their learning at the moment and also to set learning goals for the rest of the school year. A note will be sent home in the upcoming days regarding times and dates that the interviews will be taking place on.

Have a great fortnight.

RELIGIOUS EDUCATION NEWS

This Thursday we remember John Bede Polding, the first bishop of Australia, known as "The bishop of Botany Bay". Born in Liverpool, England, he came to Australia in 1835. The whole of Australia was his diocese. He travelled thousands of miles on horseback to look after the people of the early colony. He helped convicts, aborigines, poor people and the homeless and, like the prophets, brought them hope. In 1857, John Bede Polding founded an order of sisters called the Sisters of the Good Samaritan. He died in Sydney on the 16th March 1877.

SACRAMENT OF CONFIRMATION

We pray for the children in our parish who are in the final stages of their preparation to receive the Sacrament of Confirmation at St Joseph's Catholic Church in Gunnedah this **Sunday 19th March**. These candidates will be receiving the Sacrament of Reconciliation this Wednesday after the 11.30am Mass and on Friday they will travel to Gunnedah to participate in a Retreat Day, where they get to meet other candidates, complete final preparations and also meet with Bishop Michael Kennedy.

*I arise today
through God's strength to pilot me,
God's might to uphold me,
God's wisdom to guide me,
God's eye to look before me,
God's ear to hear me,
God's word to speak for me,
I thank God through Christ our Lord.
Amen*

CATHOLIC SCHOOLS WEEK House & Grandparents Day

Last Thursday Cox and Namoi renewed their rivalries with our annual House and Grandparents Day.

The day started with sports houses Namoi & Cox splitting up into two teams each to attempt some scientific activities: making the highest tower out of newspaper. Most of the teams accomplished this with a lot of help from their adult spectators with a large number of towers being taller than some of the students! It is lucky that the building inspector wasn't around.

Another activity was to design and create a seatbelt that would protect an egg. This proved to be rather messy as some of the eggs were ejected from their harnesses when impact occurred. Also a classic was revised as the students with a lot of parent help make pirate costumes out of newspaper (we certainly have some very artistic parents at our school).

The parents and grandparents were very enthusiastic about trying all of these activities and there were definitely a lot of smartphones being used as Google provided a lot of inspiration.

The day wasn't all about fun, it was also about raising some money for Project Compassion. The students had a variety of fundraising activities including; a lolly guessing competition, patty cake stall and a money trail where the two houses challenging each other and we ended up raising over \$200.

Everyone enjoyed a BBQ lunch and to complete the day, there were three rounds of trivia. The eventual winners were Namoi with 145 points, closely followed by Cox on 142 points.

Mines BBQ Donations

Many thanks to Mrs Jo Tailby and Mrs Julie Gillham for donating money to the PTF Association that they raised by manning the Mines BBQs. Their money will go to purchasing new resources for the school to help support the children's learning.
