

ARMIDALE CATHOLIC SCHOOLS DIOCESAN PRAYER

God our Father,

You have given us the caring, supportive community of the Diocese of Armidale and its schools in which we can flourish.

Here among our hills, slopes, plains and rivers you call us to live well and learn well.

You give us earth and water to use responsibly as stewards of creation, as people have done here for tens of thousands of years.

Thank you for our abundant learning opportunities. Send your Holy Spirit to watch over and guide students in their learning, teachers in their teaching and those who work to lead and support learning in other ways.

May our Catholic education shape our knowledge and understanding and help us on our path to you.

Through Christ our Lord. Amen
