Week 1

Term 2

28th April 2020

Dear Parents, Carers & Students

Welcome to Term 2 and the world of Online Learning. Well done to both parents and students! The staff at Sacred Heart are very proud of how you have all approached this new type of learning. We are able to see who has logged on each day and how long they are on there working.

There are a few who have not yet logged on. If you are having issues we are available at school to walk you or your child through this process.

If your child is not at school they are marked as working from home on the role. We cannot legally mark them as working from home if they do not log on and complete their slides each day. So unfortunately, unless we get a note with a valid reason why your child has not logged on we will have to mark them as absent.

Could you make sure that your child/children log out of Compass each day. That way when they log on the next day it will open on the right day, not the previous day. When they have finished for the day could they plug their chromebook in to charge so that it is fully charged for the next day.

By the end of this week we hope to let you know our schools proposal for the gradual return to school in Week 3.

If you or your child has a medical condition, you will still be able to continue full online learning at home. We intend to keep the programme the same at home and at school.

Mrs John is at school from Monday to Friday each week. Mrs Howarth is at school Monday to Thursday each week. Mrs Fenton is working from home Monday, Tuesday and Wednesday and will be at school on Thursday and Friday. Mrs Goddard and Mrs Sims are working from home on their working days. Mrs Rees is at school on Wednesday and working from home on the other days. Miss Traynor is on leave for the first 2 weeks of the term. Mr Hyatt will be back from his leave at the beginning of Week 3. Enjoy the rest of the week and this beautiful weather.

Regards
Colleen

RELIGIOUS EDUCATION

Dear God,

We thank you for the opportunity to begin this new school term, and we ask that you bless the students, teachers and student families that make our school a wonderful place.

We pray that you will guide us so that we will seek your will in everything that we do.

We ask this in the name of Jesus Christ our Lord. Amen

Lord Jesus,

when you walked with us on earth

you spread your healing power.

We place in your loving care

all who are affected by Coronavirus.

Keep us strong in faith, hope and love.

Bring relief to our sick,

console our bereaved,

protect those who care for us.

Amen
