

ANZAC DAY

Plans for ANZAC Day are slightly different this year. Normally the school body marches together on Queen Street before the 11am service. Unfortunately, there will be no march this year. The Barraba RSL Sub-Branch will be holding an ANZAC Day dawn service at 6am near the Queen Street Clock, and then the traditional service at 11am on the lawn section of the Barraba Cemetery.

Mrs Caskey will attend the 11am service with our School Captains. The Captains will lay a wreath on behalf of our school.

SPORT

Congratulations to our swimming relay team who swam their hearts out in Sydney in March at the NSW PSSA Championships in Sydney. Well done **Alessia, Jock, George and Henry**. Also representing our school today is **Charlotte** at Polding for soccer and shortly **Lachie** will be at Polding for Touch Football. Well done Lachie and Charlotte.

Today we have run the **Cross-Country** course at the Sportsground in preparation for next Friday's Carnival. This is a whole school Carnival (Kindergarten-Year 6) and families are encouraged to attend. Please note:

- **Canteen will be available at the Sports Ground for the Carnival.**
- **Children must come to school on the morning.** We travel to the Sports ground on a bus together.

The following **Friday (7 May)** we host the **Diocesan Cross-Country** at the Sportsground. There are around 600 competitors at this event. Only our school representatives attend this event (around 10-15 students). School will continue as normal for most students and the Canteen will be operating. If parents are willing to assist at the event it would be much appreciated. Let the School office know.
