PRINCIPAL'S MESSAGE

Dear Parents, Students and Friends,

Reflection: Know what it is to be a child?

It is to be something very different from the man of today. It is to have a spirit yet streaming from the waters of Baptism; it is to believe in love, to believe in loveliness, to believe in belief; to be so little that the elves can reach to whisper in your ear; it is to turn pumpkins into coaches, and mice into horses, lowness into loftiness, and nothing into everything, for each child has its fairy godmother in its own soul. (Francis Thompson)

Congratulations!! To our wonderful superstar students and dedicated hard working staff for staging our successful St. Joseph's Musical: Aladdin Trouble! We would like to thank all those who supported the evening. Our objective was to showcase our student's talents, skills and personalities. We hoped you were entertained and enjoyed our production.

It is always amazing how quickly time seems to be moving in this ever-increasing busyness of life for each and every person, and Term 4 is not changing this trend. With less than four weeks remaining of school for 2019, it is timely to remind ourselves to take time out, breathe and appreciate what we all have around us.

Our students are currently finalising their end of year assessments and testing. This among the many pieces of student work completed will be used to grade students, and their end of Semester 2 Report will be formalised. Reports will be sent home and times for parent-teacher interviews arranged. Notification of these dates and times to be advised.

On Tuesday evening we held the Annual General Meeting for the School Advisory Council. Thank you to the staff and parents who attended.

As Term 4 and the year draws to a close, please ensure your school fee account has been paid to date and/or you have a payment plan in place to clear outstanding arrears. Also a reminder that now is the time to set up a direct debit

payment plan for next year. A direct debit plan is not necessarily automatically carrying forward to the following year.

Contact Nicci to establish a plan and/or confirm whether you have a direct debit plan you wish to amend and/or continue.

Traffic & student's safety: The school urges all parents to support road safety by obeying signage displayed, and also asks you remind your child(ren) to be very aware of potential traffic related dangers around the school.

Sometimes for example, motorists do not abide by road laws, and if students are crossing inappropriately (with or without you), or just not aware of their surrounds by always looking either way, we could have an accident.

The education and care of our students is a partnership between the staff and parents and we all need to do our bit by acting appropriately and not showing a disregard for road laws, even if only to demonstrate your support to any children watching.

STORMCO: What a lovely group of young men and women who generously give up their time to help our community. Thank you for all your help, we certainly appreciated having them visit our school.

Go Up Day!! Students in all classes will "go up a grade on Friday the 30th November. We welcome and look forward to our new students for 2019 on this day.

Wishing you God's blessing.

Deb Harrison

HOLT BOLT Mungindi Central School
Holt Bolt event
Friday 23 November 2018
Location: Mungindi Central School oval
Time: 11:45-12:45pm and 1-2pm for Mungindi CS students
