

MEDIA RELEASE

10th April 2018

St Joey's Warialda Students Shine on Film

Last week St Joseph's Warialda released a promotional video about what students and teachers love about their school community.

Students and teachers were interviewed by Tahnee Denton (Communications Officer) from the Catholic Schools Office, Diocese of Armidale and the footage was then edited into a short promotional video that tells the unique story of the small, vibrant school. The students were very excited to be involved and their natural and bubbly personalities came alive on camera.

The school is always looking at new ways to share the good work that happens on a daily basis. Principal, Joe Dimech thought "using video would be a great way to give insight into the school for those who don't always see how we operate".

Principal Joe Dimech said, "It was great to capture the spirit of the school in this way and share it with our community"

The video was well received on Facebook with over 1.2 K views, 22 shares and many encouraging comments from the online community.

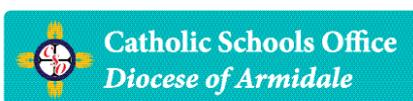

The school is offering no school fees for all existing and new enrolments for 2019 and 2020. The school will celebrate 'Catholic Schools Week' from the 26th May to the 1st June and is always accepting of any inquiries and can organise school tours for those wanting to see our space and meet the teachers and students.

"Our school offers a welcoming and well resourced environment with a focus on faith and learning. The students are a credit to the school and we encourage anyone interested in finding out more to contact the school and check out our Facebook page."
