## A MESSAGE FROM THE PRINCIPAL

Last week we welcomed our lovely new volunteer Rhiannon into our school. Rhiannon is currently completing an Admin TAFE course and we are fortunate to have her here on Mondays and Tuesdays to help in the office, library and classrooms. We also welcomed Allan and Willy to our team through the We Care Disability Services. Allan and Willy will be here on Mondays to help keep our outside areas looking beautiful, in conjunction with our wonder woman super gardener Linda McCulloch.

Enrolments are now being taken for Kindergarten 2020 and spaces are available in other grades for 2019. Please feel free to share the advertisement below with friends and/or relatives. Parents please spread the word. Your word of mouth is the best advertisement for our wonderful school.

### WALK SAFELY TO SCHOOL DAY

FRIDAY 17 MAY 2019

Walk Safely to School Day asks that we consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around.

Although walking all the way to school isn't realistic for many of us, it's quite easy to figure out how you can build a walk into your family's daily routine.

You can teach your child the healthy habit of walking more by:

- Walking with them the whole way to school
- If they get the bus or train, walk past your usual stop and get on at the next stop
- If you have to drive, park the car a few blocks away from school and walk the rest of the way

Regular exercise with your child is not only beneficial to health, it also gives you a great opportunity to teach your child safe ways to behave around roads and traffic.

Remember, active kids are healthy kids, so get planning your own Walk Safely to School Day journey for **Friday 17 May 2019!**
