Parent Body Message

2017 has been a very successful year for St Joseph's, Mungindi. The board has overseen the introduction and monitoring of benchmarking for all students, which I think has been a very successful strategy from a governing aspect to give us faith that no child is being missed or left behind in our desire for everyone at St Joseph's to benefit from a great education.

Thank you to the support of the Catholic Schools Office Armidale in 2017. All make appearances throughout the year and give the Educators and the Parents of this school wonderful and insightful support.

I would like to highlight the massive work that the P&F does for this school. They will have spent over \$30,000 this year in all facets of our school – sporting, education, community and pastoral. They do an enormous amount of the heavy lifting when it comes to the students of our school .Their desire to see our children have amazing opportunities and get those initiatives off the

ground, is a wonderful testament to the families that we currently have here.

Thank you to everyone who has given their time to attend Board Meetings in 2017. Mr. Anthony Barlow

Student Body Message

What a journey, primary school has been. It's hard to believe that we Yr 6 kids were all in nappies just ten years ago and that many of us shed tears on our first day in Kindergarten. Now we're all grown up, nearly teenagers and some of us are beginning to argue with our parents and siblings, wanting to run our own lives.

I know that I will never forget the many memories that I have of St Joseph's School - right back from when I started Kindergarten.

My favourite memory from this year is all the fun I've had with my wonderful friends. Now we're all looking forward to going to High School. We may not see each other very much anymore but we will make lots of new friends and learn wonderful new things.

In conclusion, I would like to thank my family and especially my parents for putting up with me and sending me to such a wonderful school. I would also like to thank Mrs H, the P and F and all of our teachers for providing us with a wonderful education.

Thank you Summa Eyles St. Joseph's School Captain 2017

SECTION TWO: SCHOOL FEATURES

St Joseph's Primary is a Catholic systemic Co-educational School located in MUNGINDI.

St Joseph's Primary School is located in rural North Western NSW. It is best known as a border town that functions on two time zones between October and March. Half of the town is in NSW the other half is in QLD. The Sisters of Mercy were responsible for the opening of St Joseph's (originally called St Brigid's) in 1924. In 1980, the Sisters of Mercy left the parish and were replaced by the Little company of Mary Sisters who ran the boarding school until its closure in 1983. Today rural children travel to school by bus and private vehicle.

The Sisters of Saint Joseph came to Mungindi in 1984 and assisted Fr Dowd run the parish. The Sisters helped out in the school with Religious education particularly with the Sacramental program. Today the school is administered by lay staff with a strong association with the Sisters of St Joseph who manage the Parish. Sr. Jan Baker has a strong pastoral presence in the school community. Regular attendance at school is essential if students are to maximise their potential. The School, in partnership with parents, is responsible for promoting the regular attendance of students. While parents are legally responsible for the regular attendance of their children, School staff, as part of their duty of care, monitor part or whole day absences.

School staff, under the Principal's leadership, support the regular attendance of students by:

- providing a caring teaching and learning environment which fosters students' sense of wellbeing and belonging to the school community;
- monitoring engagement of individual students in their learning and identifying strategies to enhance engagement;
- maintaining accurate records of student attendance;
- recognising and rewarding excellent and improved student attendance;
- implementing programs and practices to address attendance issues when they arise.

The Principal is responsible for supporting the regular attendance of students by ensuring that:

- parents and students are regularly informed of attendance requirements and the consequences of unsatisfactory attendance;
- all cases of unsatisfactory attendance and part or full day absences from school are investigated promptly and that appropriate intervention strategies are implemented;
- intervention strategies for students with unsatisfactory attendance may include academic case management, social case management, referral to counselling and parent/carer involvement;
- the Director of Catholic Schools or designated Catholic Schools Office Armidale officer is provided with regular information about students for whom chronic non-attendance is an issue and for whom previous strategies have failed to restore regular attendance.

When the Catholic Schools Office Armidale is notified of a student for whom chronic non-attendance is an issue and previous strategies have failed the Principal and the School Consultant will convene a meeting with the family, the student, and other agencies, if required, to develop a Return to School Plan.

Fr Abmar, Fr Christopher and Sr. Jan Baker provided guidance and made themselves readily available to help the school have a full and meaningful Liturgical life. Sr Jan was very supportive in the planning and celebration in many facets of school life. Her spiritual guidance for students, staff and parents is invaluable.

The sacramental program was well supported and delivered throughout the year and there was a strong focus on the prayer life of the school. All staff are encouraged to attend weekly Liturgies and Mass. The staff also attended twilight prayer led by the CSO Spirituality team and participated in the Core Catholic Principles and Values focusing the Fidelity in Relationships. No changes were made to our Pastoral Care Policy this year.

All staff complete the mandatory e-modules on Child Protection. Staff complete their First aid and CPR course every year to ensure the safety and well-being of all.

The full text of the School's Pastoral Care Policy may be accessed on the School's website or at the administration office.

Central to the development of these 5 foundations is instilling in young people 12 Habits of the Mind that support and nourish the 5 foundations, including Accepting Myself, Taking Risks, Setting Goals, Planning My Time, Being Tolerant of Others, Thinking First, Playing by the Rules, and Social Responsibility (includes the values of respect, responsibility, caring, fairness and honesty).

Bullying Prevention and Intervention Policy

The Catholic Schools Office, Armidale has established a *Student Anti-Bullying Policy* which is implemented by our school and all systemic schools in the Diocese. It provides a framework for school communities to work together to prevent and address issues of student bullying, in order to build respectful relationships that respond effectively and sensitively to the needs of each person. The Catholic Schools Office (CSO) monitors the implementation of this policy. No changes were made to the policy this year.

The full text of the *Bullying Prevention and Intervention Policy* may be accessed on the School's website, the administration office or at the CSO website.

Complaints and Grievances Resolution Policy

The Diocese of Armidale has established a *Staff Grievance Policy* which is implemented by our school in the Diocese. Each school also has an individual Grievance Policy and Procedure for dealing with matters at a school level. The rationale for these policies is that within the reality of the schooling experience, it is recognised that, from time to time, misunderstandings and differences of opinion will occur, and that these need to be resolved satisfactorily. Addressing such matters within a framework of dignity, respect and truth can provide powerful opportunities to model the love of Christ in the reality of our contemporary world. The Catholic Schools Office monitors the implementation of these policy. No changes were made to the policy this year.

The full text of the individual policies may be accessed on the School's website, the administration office or at the CSO website.

Initiatives Promoting Respect and Responsibility

St. Joseph's School teaches students the principle of responsibility for their own actions and respect to others. This is supported by our Emmaus Journey and You Can Do It program.

Staff are expected to be examples and models of this behaviour.

The Student Representative Council (SRC) is a student body elected from students themselves. Through the SRC, students can present their needs to teachers and administration. It is also a beneficial training ground where these leaders of tomorrow can work together to accomplish goals.

Students, especially our school leaders are encouraged to take responsibility by fulfilling certain tasks throughout the year.

Experience shows that students love to participate, help and assume a level of responsibility from K-6. School and class rules are set by teachers with input from students themselves and embedded in these rules is respect for others.

Each year, the School develops an Annual Improvement Plan indicating the intended key improvements for student learning outcomes. The plan is drawn from the School's Strategic Improvement Plan and informed by the Catholic School's Office Annual Improvement Plan. The School engages in an annual evidence-based evaluation of its effectiveness against these external standards in collaboration with the Schools Consultant.

Key Improvements Achieved in 2017

The 2017 school year saw a continuing focus on data collection in literacy and numeracy as the driver for data walls and Professional Learning Teams. From the data PLT teams developed case management for student support and extension in class. Writing results from 2016 NAPLAN data indicated an area requiring improvement. The professional development and K-6 implementation of the writing program Seven Steps was introduced on a daily basis every morning in term 1. MiniLit and Reading Tutor Program were implemented enhancing the reading and comprehension skills of students in K-6. Teachers and paraprofessionals led to the success of these intervention programs through maintaining uninterrupted instruction time. Student reading growth improved across the school with ongoing development of our school's Guided Reading and Writing Program.

Staff professional development is a priority to ensure the implementation of whole school initiatives to achieve student success. Continue developing the K-2 best practice and improve student learning through additional staffing and the leadership and support from the Leadership team in Literacy and Numeracy.

Building teacher capacity through learning walks and talks is important to support teachers in multi staged classrooms.

An emphasis on higher order thinking questioning is essential to provide our students with the thinking skills required to prepare for the 21st century.
