School staff, under the Principal's leadership, support the regular attendance of students by:

- providing a caring teaching and learning environment which fosters students' sense of wellbeing and belonging to the School community;
- maintaining accurate records of student attendance;
- recognising and rewarding excellent and improved student attendance;
- implementing programs and practices to address attendance issues when they arise.

The Principal is responsible for supporting the regular attendance of students by ensuring that:

- parents and students are regularly informed of attendance requirements and the consequences of unsatisfactory attendance;
- all cases of unsatisfactory attendance and part or full day absences from school are investigated promptly and that appropriate intervention strategies are implemented;

Student Welfare Policy

At Saint Joseph's we run the Bounce Back Program to build resilience in students. The Peer Support Program is directed by the trained Peer Support teachers and implemented by the Stage 3 trained tutors. The program is organised in vertical class groups from Kindergarten to stage 3. The local School Liaison Officer from the Police Department in our town visits all classrooms and discusses with the children various aspects of bullying and harassment, the importance of being honest and safety issues related to our community. We have continued with the School Chaplaincy Program which is an initiative of the Commonwealth Government. The Chaplain supports the pastoral needs of the staff, students and parents. The school Chaplain shares in the life of the school in the joys and sorrows of its members. The Chaplain is available to help those who suffer or need support in times of crises.

No changes were made to this policy this year.

The full text of the School's Pastoral Care Policy may be accessed on the School's website or at the administration office.

Discipline Policy

Corporal punishment is expressly prohibited in this School. The School does not sanction administration of corporal punishment by School persons and non-School persons, including parents, to enforce discipline in the School.

Saint Joseph's Primary School bases its Discipline Policy on the Bishop's Commission Policies for Pastoral Care in the Catholic Systemic Schools of the Armidale Diocese. Included is the policy of suspension, expulsion or exclusion of students in catholic schools and the management of drug related issues. These policies are based on procedural fairness and are discussed with students on a regular basis.

No changes were made to this policy this year.

The full text of the School's Student Discipline Policy may be accessed on the School's website or at the administration office.

Anti-Bullying Policy

The Catholic Schools Office, Armidale has established a *Student Anti-Bullying Policy* which is implemented by our school and all systemic schools in the Diocese. It provides a framework for

school communities to work together to prevent and address issues of student bullying, in order to build respectful relationships that respond effectively and sensitively to the needs of each person. The Catholic Schools Office (CSO) monitors the implementation of this policy. No changes were made to the policy this year.

The full text of the *Anti-Bullying Policy* may be accessed on the School's website, the administration office or at the CSO website.

Complaints and Grievances Resolution Policy

The Diocese of Armidale has established a *Staff Grievance Policy* which is implemented by our school in the Diocese. Each school also has an individual Grievance Policy and Procedure for dealing with matters at a school level. The rationale for these policies is that within the reality of the schooling experience, it is recognised that, from time to time, misunderstandings and differences of opinion will occur, and that these need to be resolved satisfactorily. Addressing such matters within a framework of dignity, respect and truth can provide powerful opportunities to model the love of Christ in the reality of our contemporary world. The Catholic Schools Office monitors the implementation of these policy. No changes were made to the policy this year.

The full text of the individual policies may be accessed on the School's website, the administration office or at the CSO website.

Initiatives Promoting Respect and Responsibility

At Saint Joseph's we promote Gospel Values to act justly, love tenderly and to walk humbly with our God. Throughout the year a number of services promoting the importance of community involvement were attended by the school staff and students. Students take pride in being involved in community events such as World Day of Prayer, ANZAC Day Services, Remembrance Day Services, NAIDOC Week and cultural dancing and speaking in language and welcoming visitors to country. The Yuwaalaraay Language Program helps promote respect and pride for the Aboriginal culture. The program is embraced by all staff and students and has pride of place in our curriculum.

Each year, the School develops an Annual Improvement Plan indicating the intended key improvements for student learning outcomes. The plan is drawn from the School's Strategic Improvement Plan and informed by the Catholic School's Office Annual Improvement Plan. The School engages in an annual evidence-based evaluation of its effectiveness against these external standards in collaboration with the Schools Consultant.
