Principal's Message

The staff, students and parents of St Patrick's Catholic Primary School form a close knit educational community which was founded by the Mercy Sisters in 1911.

This report highlights the school's quality teaching and learning experiences and achievements as well as our participation in many events. It reflects the School's Mission Statement and school motto "Growing in Wisdom and Faith". As a school community, our school's mission is to provide an inclusive Catholic environment where the Gospel values of Wisdom and Faith can grow and be nourished. We aim to develop individuals to their full potential and instil in each person a sense of responsibility, self-discipline and respect for the needs of others and for the environment in which we live.

This report reflects on all that has been achieved and realised throughout the year. I hope that all members of the community continue to feel a sense of pride and achievement in our school and that this report portrays that St Patrick's is a small school with a big heart.

Parent Body Message

We are a small but active P&F and I am proud of the activities that have taken place over the past 12 months. We have had quite a good year with fundraising raising over \$20 000.

We have held a Wyobie Dinner function street stalls, a business luncheon, Mothers and Father's Day gift stalls, and the milkshake and lemonade stall at the November Farmer's Markets, in total for the year we have raised almost \$8000.

Some of the things that the P&F have purchased this year are: Incursions and excursions for all grades, Athletics singlets and sports shirts for students representing the school at Diocesan carnivals, Mini Minstrels for Years K and 1, classroom stationary, and Mathletics. The P and F have committed \$15000 towards new contemporary furniture across the school in 2016.

The P&F play a vital role in St Patrick's and without them many things would not be possible. Some of our parents have volunteered for many events over many years, so I urge all school parents to become involved in your P&F. The P&F continues to focus on building community spirit at St Patrick's and remain committed to fundraising that will enhance the education experience of all our children. P&F President 2015

SECTION TWO: SCHOOL FEATURES

St Patrick's Primary is a Catholic systemic Co-educational School located in WALCHA.

St Patrick's is located in Walcha, which is 65km south west of Armidale, 110km East of Tamworth and a two and a half hour drive from the coast either to Port Macquarie along the Oxley Highway or through Nowendoc to Forster. Walcha Shire has a population of 3021 people and supports both a Central School and St Patrick's Catholic Primary School. A number of our students travel great distances, with some travelling up to 45 minutes in a bus to get to school.

St Patrick's School, Walcha, was established in August, 1911 by the Sisters of Mercy in what is now St Patrick's Hall. The Sisters provided a Catholic education for the pupils of the Walcha district for 64 years. In 1975 St Patrick's became the first school in the Armidale Diocese to form a School Board, and in 1976, it was the first school in the Diocese to appoint a lay principal. The current classrooms were opened in 1977 and dedicated to the Sisters of Mercy.

Upgrades occurred in 2006 with a new Covered Outdoor Learning Area, Canteen & Amenities Block being completed at the end of the 2006 school year and officially opened in May 2007. In 2011 the School celebrated its Centenary and with funds from the Building the Education Revolution the School has its first purpose built Library and Administration building which were opened in March 2012.

A number of school events are organised to ensure we highlight and acknowledge our traditions, celebrate our learning and special days and showcase our programs. Some of these events include:

- St Patrick's Feast Day
- Catholic Schools Week
- Kindergarten Orientation and the Transition Program
- Literacy Week
- Mother's Day, Father's Day and Grandparent's Day celebrations
- STEP days at O'Connor Catholic College
- ANZAC Remembrance Day Commemorations
- Mini Minstrels
- Bingo/Disco
- Presentation night and Year 6 Graduation Mass.

Throughout the year students represented the school at Diocesan and Polding (State Catholic Schools) levels in sports such as swimming, cross country, athletics and rugby.

Parents have numerous opportunities to be involved in many aspects of school life. The P & F

actively supports the school through fund raising and community building events. The School Board advises the principal and Parish Administrator in areas of policy, budgeting and maintenance works. Parents are always welcomed at assemblies, prayer and church celebrations. We encourage parents to visit and work in classrooms throughout the year.

In preparation for the 2016 school year the P and F have contributed \$15 000 towards contemporary furniture across the school and the school has funded the purchase of 60 Chromebooks.

Regular attendance at school is essential if students are to maximise their potential. The School, in partnership with parents, is responsible for promoting the regular attendance of students. While parents are legally responsible for the regular attendance of their children, School staff, as part of their duty of care, monitor part or whole day absences.

School staff, under the Principal's leadership, support the regular attendance of students by:

- providing a caring teaching and learning environment which fosters students' sense of wellbeing and belonging to the School community;
- maintaining accurate records of student attendance;
- recognising and rewarding excellent and improved student attendance;
- implementing programs and practices to address attendance issues when they arise.

The Principal is responsible for supporting the regular attendance of students by ensuring that:

- parents and students are regularly informed of attendance requirements and the consequences of unsatisfactory attendance;
- all cases of unsatisfactory attendance and part or full day absences from school are investigated promptly and that appropriate intervention strategies are implemented;
- the Director of Catholic Schools or designated Catholic Schools Office Armidale officer is provided with regular information about students for whom chronic non-attendance is an issue and for whom School strategies have failed to restore regular attendance.

School follows the Armidale Diocesan Religious Education Curriculum and uses the student text *To Know, Worship and Love*, as authorised by the Bishop of Armidale, Michael Kennedy. St Patrick's School is for many students the only link they have with the Catholic Church. Each day, morning assembly begins with the school prayer (led by our School Captains).

Throughout the day, students participate in class and individual prayers. The children attend Masses on alternate Fridays with a rostered class undertaking preparation of the Mass, this was a part of the students ongoing Faith Formation. The students, to gain a better understanding of the mission of the Catholic Church on a more universal scale, were involved in various fundraising activities to support the charitable works of CARITAS Australia and the Catholic Missions. During the year, the work of these charitable organisations was outlined to the students by guest speakers and through the use of multimedia resources. Students were encouraged to contribute to the Project Compassion boxes throughout Lent. Multiple fundraisers were held to raise money for the Catholic Missions. Complaints and Grievances Resolution Policy

The Diocese of Armidale has established a *Staff Grievance Policy* which is implemented by our school in the Diocese. Each school also has an individual Grievance Policy and Procedure for

The rationale for these policies is that within the reality of the schooling experience, it is recognised that, from time to time, misunderstandings and differences of opinion will occur, and that these need to be resolved satisfactorily. Addressing such matters within a framework of dignity, respect and truth can provide powerful opportunities to model the love of Christ in the reality of our contemporary world. The Catholic Schools Office monitors the implementation of these policy. No changes were made to the policy this year.
